**Product Name :**

Triple-Beam Balance

**Product Code :**

SLE/LB/16

## Description :

With rugged construction and security slot to prevent theft, the durable Triple Beam Balance is ideal for classroom environments.
Sturdy metal housing and a grade 304 stainless steel pan help the balance withstand daily student use.
Notched, tiered, graduated beams ensure positive positioning and accurate reading of results.
Storage space for weights included.
Equipped with a 225g tare range.
Zero adjustment.
Other features include tripod legs for density measurement, weigh-below hook, magneticdamping for faster stability, notched and tiered graduated beams with center reading, and holdersfor storing additional weights.
Optional hook enables below-balance weighing.
Security slot for optional Kensington-type lock and cable to help prevent theft.
Large, grade 304 stainless steel pan allows easy cleaning.
Magnetic damping slows pointer movement for faster readings.

**Technical Specifications :**
**Capacity:** 2610g
**Weighing Units:** g
**Calibration:** External calibration
**Construction:** Die-cast aluminium
**Stabilisation Time:** 3.0
**Pan Size:** 152mm ø
**Linearity:** 0.2g
**Readability:** 0.1g
**Repeatability:** 0.2g
**Net Weight:** 2.7kg
**Overall Dimensions:** 550x110x160mm (wxdxh)
