

**Product Name :**

Rangometry

**Product Code :**

SLE/LP/01

**Description :****Concept****Shapes, patterns and number sense**

Explore your imagination with colourful designs and stories

Counting activities for basic number sense

The pieces can be pasted on any smooth surface after making them wet.

Exploring and recognising 2-D shapes in terms of their angles and sides

Making and identifying patterns with shapes, colours and numbers

Tessellating a given region using a tile of a given shape

Discovering and understanding the properties of shapes intuitively

Geometrical problem-solving

**Details**

Includes writeup with details of activities.

Eight shapes (hexagon, trapezium, small rhombus, big rhombus, equilateral triangle, isosceles triangle, square and rectangle) in different colours. The angles and sides of the shapes have been designed in proportion to create opportunities for exploring different geometric relations. Made from rubber (over 350 pieces).
