

**Product Name :**

Straws Base Kit

**Product Code :**

SLE/LP/08

## Description :

### Concept

#### Exploring 2d & 3d geometry

Identifying and categorising different types of 2D shapes based on their properties

Making and identifying the 3D shapes such as cuboids, cube and pyramid

Hands-on experience of constructing squares, rectangles and other polygons and creating 3-dimensional shapes of their imagination

Construction of 2D shapes like triangle, quadrilateral and polygon on the basis of sides and angles

Introduction to angles, comparison of angles, right angles

Making 3D constructions and developing spatial sense

Polyhedra-faces, vertices and edges

Journey of creative explorations with different 2D and 3D designs

Making and identifying open and closed figures

### Details

For up to 4 children / age 5 years and above

A set of 32 three-way, 12 four-way and 12 five-way connectors and 120 straws in four colors and three types of length Includes write-up with details of activities.
