Product Name :

Beads, Wood

Product Code :

SLE/CS/027

Description :

Technical Specifications:-

Beads, wooden; not less than 35mm in diameter, in assorted colours (for example: red, green, blue, yellow, orange etc.) and shapes (for example: spheres, cubes, cylinders, ovals, barrel, etc). The material and finish of the beads and laces should be smooth, secure and non-toxic.

The design, manufacture and composition of the beads and laces to be suitable for the safe and continued use of children aged 3-6 years.

Each bead should have a hole of approximately 6 mm diameter, to enable easy threading of the laces by children.

Ten laces for stringing to be provided, of approximately 50cm in length, securely tipped or heat-welded at each end

The laces can be of one or varied colours and must easily fit through the corresponding hole in the shape.

The beads and laces are to be supplied in a sturdy plastic container with a secure lid.
