

**Product Name :**Unit System Slide  
Cabinet**Product Code :**

SLE/PS/70

**Description :**

Equipped with 25 aluminum trays for holding five hundred 3 x 1" slides.

Each slide lies flat in its own compartment.

The door disappears into the top of the cabinet.

Additional units can be stacked on top.

Size, 8 1/2 x 12 x 10" H.

Wood frame is more durable than plastic.

Sturdy horizontal trays mean your specimens last longer.
