Product Name :

Triple-Beam Balance

Product Code :

SLE/LB/16

Website: <https://thelabequipment.com>, **Email:** sales@thelabequipment.com

plot, no.296, Sector 5, Vaishali, Ghaziabad, Uttar Pradesh 201010

Description :

With rugged construction and security slot to prevent theft, the durable Triple Beam Balance is ideal for classroom environments.

Sturdy metal housing and a grade 304 stainless steel pan help the balance withstand daily student use.

Notched, tiered, graduated beams ensure positive positioning and accurate reading of results.

Storage space for weights included.

Equipped with a 225g tare range.

Zero adjustment.

Other features include tripod legs for density measurement, weigh-below hook, magnetic damping for faster stability, notched and tiered graduated beams with center reading, and holders for storing additional weights.

Optional hook enables below-balance weighing.

Security slot for optional Kensington-type lock and cable to help prevent theft.

Large, grade 304 stainless steel pan allows easy cleaning.

Magnetic damping slows pointer movement for faster readings.

Technical Specifications :

Capacity: 2610g

Weighing Units: g

Calibration: External calibration

Construction: Die-cast aluminium

Stabilisation Time: 3.0

Pan Size: 152mm Ø

Linearity: 0.2g

Readability: 0.1g

Repeatability: 0.2g

Net Weight: 2.7kg

Overall Dimensions: 550x110x160mm (wxdxh)
