

Product Name :

Compact Balance 300g

Product Code :

SLE/LB/23

Description :

With simple, three-button operation and sturdy plastic construction, the portable Compact balance is a smart choice for labs, schools, kitchens, offices, or veterinary facilities.

A streamlined design makes the lightweight and portable, so it is easy to transport from classrooms to the field.

Automatic calibration is performed through the keypad, and the provides indicators for overload and low battery.

It quickly delivers precision readings on a large display, so results are easy to read.

Hardware :

Colour-coded keys facilitate quick recognition of the most frequently used buttons

Sealed keypad protects against dirt and spills

Large platform removes easily for speedy cleaning

Lightweight design simplifies transport and portability

Overload protection helps prevent damage to internal components

Software :

Auto power-off to save energy

Zero-tracking feature ensures display returns to zero reading

Display: High-contrast display is easily visible from a distance

Power :

Operates with AC adapter (included) or batteries (not included)

Technical Specifications :

Capacity: 300g

Readability: 0.01g

Repeatability: 0.01g

Weighing Units: g, oz

Calibration: External calibration

Stabilisation Time: 2.0

Construction: ABS plastic

Operating Temperature: 0° to 40°C

Net Weight: 0.5kg

Overall Dimensions: 147x208x150mm (wxdxh)

Electrical Safety Mark: CE, cUL

Digit Height: 15mm

Pan Size: 100mm

Linearity: 0.02g

Power Supply: 12V AC 50/60Hz 150mA adapter / 6 x AA batteries

Battery Life: 3 hours
