Product Name :

Spectral Lamp Power Supply with Lamp Holder

Product Code :

SLE/PHY/298

Description :

This is a low cost, compact spectral lamp with power supply.

The lamp is mounted inside a black protective tube standing up from the top of the power unit.

Unlike the dull light available from Spectrum Tubes these tubes provide a bright and intense light used for optical work and for AA Spectrometry.

By rotating the outer sleeve of the lamp cover, different shaped apertures can be selected.
