Product Name :

Mathematical Pendulum Demonstration
Apparatus

Product Code :

SCL-219/042

Description :

DESCRIPTION :-

- Consists of
- a base of mild steel with base size (200 X 125) mm,
- a mild steel rod 500 X 10 mm (length X Diameter) Square,
- a digital stopwatch,
- a ruler with a length of 50cm,
- a pendulum mathematical, where a sphere of negligible mass hangs on an elongated thread with a diameter of 25mm,
- a digital stopwatch,
- a steel rod with dimensions (150 x 0.1 mm)
- a spool of cotton thread.
