

**Product Name :**

Trigonometry Board

**Product Code :**

SLE/MAT/53

**Description :**

Trigonometry board is designed with the focus to enhance geometric visualization competence in the learning of Trigonometry concepts, the results related to circle and the resolution of the problem related to it.

It promotes learning of these mathematical concepts with inductive as well as deductive reasoning.

Provides an opportunity to learn the concepts of Sine, Cosine and Tangents, the concept of Congruent and Similar triangles,

This board is provided with Geo sticks, connectors, pins, rubber bands and other accessories to prove trigonometry equations.

Measure 26 x 26 cm.
