

Product Name :

Pipette Controller

Product Code :

SLE/ME/14

**Description :**

Pipette Controller is lightweight (only 6-3/10 oz/170 g) and designed to fit comfortably in either the right or left hand.

The controller versatility with an easy-fit silicone nosepiece, which accepts pipette sizes from 1 to 100 mL.

A long-life rechargeable lithium battery keeps the controller running for up to 8 hours or 2,500 uses on a single 2-hour charge.

Controller comes with charger, filters, holder, and instructions.

With its lightweight, advanced ergonomics, continuously variable electronic speed adjustment, and extended lithium battery life, Pipette Controller is the logical choice for comfort, convenience, and value.

The natural feel of the ergonomic body design, the computer-balanced weight distribution, and the low pressure fingertip control buttons all combine to provide a more comfortable pipetting experience.
