

Product Name :

Apparatus Melting Point

Product Code :

SLE/CH/06

**Description :**

This ergonomic apparatus has been designed with safety and ease of operation in mind- making it ideal for use in education. A rapid heat switch allows higher temperatures to be obtained quickly. A single control knob on the front panel incorporates the main switch with arbitrary scale of 0 to 10. Sample tubes are illuminated from behind and magnified through a lens. Ceramic insulation around the aluminium heating block minimizes heat transfer to the casing. A selector at the rear of the instrument allows a light or dark background. Thermometer- capillary tubes and cooling plug available as accessories. Supplied with instructions. **Electrical supply** : 230V AC 50/60Hz; **Weight** : 1.5kg; **Temperature range** : Ambient – 350°C.
