

Product Name :

Eco Magnetic Polydron Class Set

Product Code :

SLE/MG/23

**Description :**

This is a great way to introduce children to building their first 2D and 3D shapes with magnetic pieces.

The pieces are made from 30% eco material and are supplied in 4 colours with a neutral on the reverse.

Designed for whole class use, this 72-piece set contains 36 equilateral triangles and 36 squares. The pieces are compatible with all existing Magnetic Polydron sets.
